Application for Individual or Firm Unassigned Membership

Unassigned Membership is available to any AIA member who is an ASSIGNED member of any other AIA Component. We offer three categories of Unassigned Membership:

Unassigned Architect or Associate/Intern Membership is available to any member currently assigned to any AIA Chapter, and entitles the member to all rights and privileges granted to AIA Potomac Valley members (except voting), including receipt of the chapter newsletter, attendance at all chapter functions and meetings, and participation in the Chapter's Annual Design Awards program. (Unassigned membership in AIA Maryland is required to enter the AIA Maryland Design Awards program.)

Firm Unassigned Membership entitles a Firm Owner, in addition to individual rights listed above, the right to be listed in any of the Chapter's 16 online referral lists and be entitled to participate in our online "Hot Leads" program (based on specialties listed in a firm listing in a chapter directory), to run FREE classified ads on our online classified page and to have your firm listed in the Potomac Valley section of the *Directory of Architects in Metropolitan Washington* (and be authorized to show AIAPVC affiliation under your firm listing through your current chapter).

Note: If using the PDF version of this application, you may complete it on-screen before printing!
